

Clearly Speaking

Clearly Campin' is happening!

A one week intensive camp for children with a diagnosis of Childhood Apraxia of Speech.

- For one week, children attending Clearly Campin' will receive 3 therapy sessions daily, two individual and one small group. Individual sessions will be scheduled for morning and afternoon. Group session is scheduled in-between.
- Prior to the start of Clearly Campin', an evaluation of your child's speech production skills will be completed. A treatment plan for camp will be completed based on this information.
- Enrollment is open to school age children with a diagnosis of CAS.
- All instruction provided by ASHA certified speech language pathologist at Clearly Speaking Hampton Falls, NH clinic

Please call our office (603) 926-3277 for details and questions.
